Ijebu-Ode Grammar School
2006 - 2011

P R O F I L E

I am a react frontend developer with a year's experience in building & maintaining responsive and interactive web pages. Also a creative team player with an eye for detail. I am looking to work in a challenging organization with room for growth .

R E L E V A N T   E X P E R I E N C E

FRONTEND DEVELOPER INTERN
Braingital

June 2022 - Present

- Develop and maintain code for in-house and client websites primarily using React.
- Manually test sites in various browsers and mobile devices to ensure cross-browser compatibility and responsiveness
- Work and communicate with multi-disciplinary teams of engineers, designers, producers, and clients on a daily basis

UI ENGINEER
ASL

January - March 2022.

- Utilized HTML & CSS to create landing pages for both company and clients.

- Rewrote HTML to meet industry and company's standards for SEO and Accessibility. This drove a 300% increase in users by appearing in the first page of Google search results
